EDUCATION

STEVENS INSTITUTE OF TECHNOLOGY, B.S. in Computer Science

Sep 2022 - May 2026

TECHNICAL SKILLS

Programming Languages: Python, Java, C++, JavaScript, TypeScript, HTML, CSS, SQL

Frameworks & Tools: React, Node.js, Express.js, Git, Docker, Firebase, Socket.IO

Data & Infrastructure: MongoDB, Redis, PostgreSQL, NumPy, Pandas, scikit-learn

EXPERIENCE

Garden State Mechanical

Bloomfield, NJ

Automation Developer

Jun 2025 - Aug 2025

- Built an automated work ticket system using Google Apps Script, reducing manual data entry and improving workflow efficiency
- Integrated Google Forms, Docs, and Drive to dynamically generate and organize documents based on user submissions

AlphaMinds Academy

Hoboken, NJ

Coding Instructor

Feb 2025 - Jun 2025

- Taught coding fundamentals and debugging strategies using Scratch to groups of elementary students, guiding them in building interactive projects

PROJECTS

CenterPlate | React Native, Node.js, Expo, MongoDB, Socket.IO

Sep 2025 – May 2026

- Built a full-stack mobile app for group dining coordination that calculates optimal meeting locations and recommends restaurants using geolocation APIs and the Haversine formula
- Developed a React Native frontend with real-time features powered by Socket.IO and a Node.js/Express backend with MongoDB
- Implemented group voting, user authentication, and third-party API integrations to enable collaborative restaurant selection

FitTracker | React, Node.js, MongoDB, Redis, Docker, MinIO

Nov 2025 – Dec 2025

- Built a full-stack fitness and nutrition tracking platform with workouts, meals, progress logs, and a social feed using React, TypeScript, and Node.js
- Developed RESTful APIs with MongoDB and implemented Redis caching to improve performance and reduce database load
- Containerized the application using Docker Compose and integrated MinIO for scalable image storage and retrieval

LEADERSHIP

Alpha Sigma Phi, Alpha Tau

Hoboken, NJ

VP of Retention

Jun 2024 – Apr 2025

- Managed chapter engagement and event participation by coordinating with event leaders, maintaining scheduling systems, and enforcing accountability standards
- Led planning and oversight of chapter operations, including event execution, conflict mediation, and internal policy enforcement to improve member involvement
